As per University Regulation R10.05.015 (Dual Enrollment), the K-12 student registration process at the University of Alaska Fairbanks (UAF) requires K-12 students younger than 18 and their parent/guardians to sign this authorization for university enrollment. This authorization identifies some of the issues encountered by K-12 students, but should in no way be considered comprehensive. If the minority-age K-12 student is enrolling under a dual enrollment agreement between a K-12 institution and a University institution, some of the issues listed below may be superseded in part if there is an explicit provision in that agreement that overrides this authorization on a particular point.

Regents Policies and University Regulations are available at <https://www.alaska.edu/bor/policy-regulations/>.

As a parent/guardian of the above K-12 student, I understand and agree that:

- Except as may be specifically provided in a dual enrollment agreement between a K-12 institution and a UA institution, enrollment at the university generally imposes the same responsibilities and grants the same rights to matriculated university students, regardless of age. Student rights and responsibilities are delineated in Regents' Policy Chapter 09.02.
