

of the University, the parent(s) or sponsor(s) of any educational program, or an individual for whom the University provides services. Students must also not be found guilty of sexual harassment, sexual assault, or gender-based discrimination as defined under BOGOR & P, Chapter 01.04.

These provisions shall apply to any student placed on campus who contains or disseminates information, including documents, and the guide for distribution to outside entities. There is a link from the UAF Title IX website (http://handouts.ugpa.edu/handouts/and-resumes) to ensure that the most up-to-date documents are provided. For more information about ADA accommodations, please visit the following link: [http://www.ada.gov](#).

Information detailing the process for requesting accommodations is available at [http://www.ada.gov](#). For more information, please visit the following link: [http://www.ada.gov](#).

The University of Alaska Fairbanks is committed to providing a safe and supportive environment for all students. We encourage students to report any incidents of sexual harassment or gender-based discrimination to the appropriate campus resources. For more information, please visit the following link: [http://www.uaf.edu/offices/sexual-harassment-prevention/](#).

PROCEDURE:

1. Inform Students of Title IX Protection

NOTE: UAF's multiple locations and activities necessitate flexibility in distributing materials to and communicating with students. This can be accomplished in several ways:

I. The internship/project coordinator, faculty or designee identifies the students who will be involved in

the class's learning and research activity.

II. The internship/project coordinator, faculty or designee obtains one copy of the

and distributes it. Copies of the Guide must be distributed in person (or fed into a

instructions to print).

III. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

IV. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

V. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

VI. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

VII. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

VIII. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

IX. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

X. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XI. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XII. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XIII. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XIV. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XV. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XVI. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XVII. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XVIII. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XIX. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XX. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XXI. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XXII. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XXIII. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

and distributes it. Copies of the Guide must be distributed in person (or fed into a printer).

XXIV. The internship/project coordinator, faculty or designee obtains one copy of the Guide for each student

- **Consent** is the voluntary, informed, and uncoerced agreement through words or actions freely given, that a reasonable person would interpret as an indication of mutual desire to engage in a particular sexual activity.

- **Dating Violence** is behavior(s) used to exert power and control over a partner. Examples of power and control may include:
 - **Domestic Violence** is a pattern of coercive, controlling behavior in which physical violence, terror, harassment, intimidation, and/or other tactics are used to cause emotional, psychological, and economic abuse of a partner.

partner. Examples of power and control may include:

- intimate partner uses physical, electronic, or psychological abuse.
- partner coerces or manipulates consent.

when they are under the influence of alcohol, drug use, or medication, or when they are asleep.

Sexual Harassment and Safety

Sexual harassment is a form of discrimination against individuals who report sexual or gender-based violence, sexual harassment, or sexual assault, or who participate in the investigation or resolution process.

- **Retaliation** is adverse action taken against an individual because of discrimination.

related support services of such health care providers in their performance of such services. Students at universities, with the exception of those working in Residence Life, are not held responsible for employment at the University.

- You have the right to a fair, impartial, and prompt investigation if you are a complainant.
- You should have the right to be protected from further discrimination, both while the investigation is happening
